BURGUNDY AS A LEGACY

ARTISINAL EXPERTISE

A local boy, born in the heart of a marvellous wine-growing region, son of a chef and great-grandson of a cooper, Yuri Lebault has always been amazed by the beauty of the Côte de Nuits and the magic of the hills in the Côte de Beaune. Today, his love of Burgundy is what inspires him and his team to create tailor-made wine tours. A self-taught man of instinct and culture, he shares his passion for his terroir through his personal anecdotes, his fabulous Burgundian accent and his incredible energy.

Youri Lebault is co-author of *In Climat Veritas* prefaced by prince Albert of Monaco and preceded by a foreword by film director Cédric Klapisch.

He is also the author of *En route vers les Climats du vignoble de Bourgogne* :

" In this book, he portrays himself as a servant of the Burgundian cause - a most noble and universal characteristic. May he be thanked and congratulated. "

Aubert DE VILLAINÉ,
Domaine de la Romanée-Conti

And when it's time to taste, they open their hearts and their delicate bottles, promising to create eternal memories.

THE ART OF TASTING

Every passion speaks its own language: ours finds its roots in the depths of Burgundy, where the word terroir echoes throughout.

Geology, history, anecdotes, meteorology, legends, oenology: each wine tasted is associated with the place where it was born. Each glass reveals individual landscapes, soil compositions, and the hard work of the winegrower. The geo-sensory tasting® offered by Bourgogne Gold Tour takes on another dimension: the satisfaction of pleasing your tastebuds with mythical wines is multiplied, innumerable exchanges nourish the experience and knowledge sharing transcends the moment. Guided by the strength of the terroir, the tasting rediscovers its meaning.

TASTE THE TERROIR

In our opinion, Burgundy should be enjoyed in motion. We travel, observe and taste the terroir in our own time. Landscapes change, words slip into our glasses and emotions are revealed: each Climat tells its own story.

“

When a person feels good, they learn more: thanks to his sense of empathy and to a personal pedagogical method, Youri adapts himself to his audience, so that everyone, whether connoisseur, neophyte or collector, comes out more educated after having spent an extraordinary moment with the winemakers. Accompanied by Joachim and Fabien, Youri creates his customised tours for small groups - families, couples, companies, teams - in French, in English and in German. ”

Forbes Magazine

Initiating for amateurs, vibrant for connoisseurs, poetic for the lone and perceptible traveller, the Bourgogne Gold Tour adventure reinvents itself with every visitor. Take a seat and let us tell you the story of Burgundy... For more than 20 years, Bourgogne Gold Tour has been selecting exclusive and authentic domaines, owners of parcels (Climats) classified in Premiers Crus and Grands Crus to help you relive the unique experience of the greatest wines of Burgundy.

All our guests automatically become members of Bourgogne Gold Tour WINE CLUB. They have access to a selection of rare and exclusive wines twice a year. Membership deals and delivery in wooden cases is included.

OUR ONLY LIMIT IS YOU

Each experience retains the Bourgogne Gold Tour characteristics and will change your life forever: you will have in you a fragment of eternal Burgundy, a part of its impenetrable secrets and a piece of its land - classified as a UNESCO World Heritage Site. Luxury at its finest.
